

A Love Spell to Attract a Libra Man

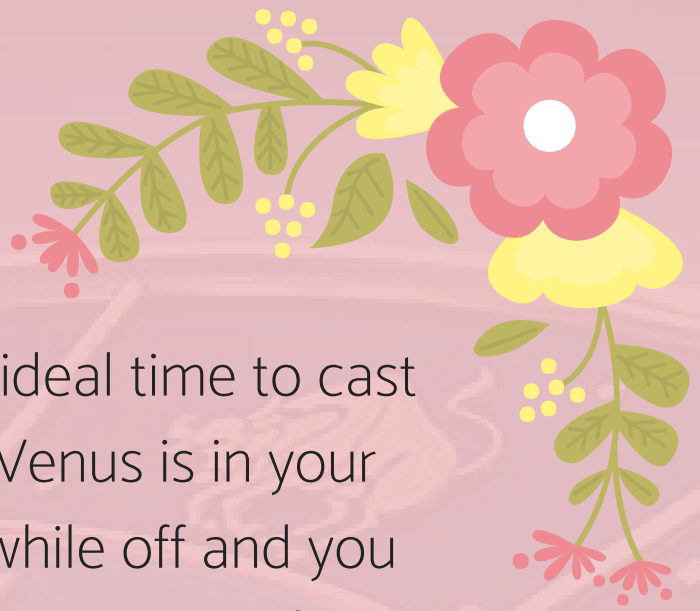

Ingredients

- The symbol of Libra. This could be a pendant or simply an image drawn on paper.
- A photograph of yourself with which you are happy. It doesn't have to be an exact likeness; you can use enhancing filters, for example. Just so long as you are reasonably satisfied with it. The photograph should ideally be in an attractive, ornamental frame.
- Bath salts.
- Essential oil or bath oil. Either rose, vanilla or lavender. These are scents to which the Libra man responds strongly.
- A wine glass or tumbler.
- Water.
- Honey.
- Some purple or lilac candles. At least three.
- Scented candles. Either rose, vanilla or lavender. Just one of these will do; just enough to scent the air.
- Matches or a lighter.

When?

When Venus is in Libra is the ideal time to cast this spell. Alternatively, when Venus is in your star sign. If either option is a while off and you really can't wait, just make sure you cast the spell during a half- or quarter-moon.

Preparation

Run a bath. Add bath salts and a few drops of one of the essential oils. Have a long soak. Relax. Focus on you. Following your bath, dress in something loose and comfortable that also makes you feel attractive.

Place the picture where you can look at it during the casting. Place the Libra symbol in front of it. Place the candles to either side of the picture. Ensuring all safety measures have been followed, light the candles. Fill the glass with water and stir in a little honey.

The Spell

Holding the glass in your hands and looking at your picture, recite the following verses.

The First Verse

**I can be loved, I will be loved,
I am loved.**

I AM LOVE.

**I am treasure, I am a prize, I
am desired.**

I AM LOVE.

Whilst reciting this part, visualise a hand holding yours. See it. Feel its warmth and firmness.

Visualise a finger brushing against your lips.

Visualise warm breath against the side of your neck. Try to do this without closing your eyes, still concentrating on the photograph of yourself.

The Second Verse

I am calm. I am steadfast. I am kind.

I AM THE LOVER OF A LIBRA MAN.

I have a strong moral compass, a keen sense of justice and emotionally stable. I AM THE LOVER OF A LIBRA MAN.

Whilst reciting this part, visualise yourself in a small jazz club, listening intently to the music. Then visualise yourself in a soup kitchen, serving food and talking kindly to the patrons. This should take no more than ten repeats.

The Final Verse

I am the **TREASURE** of a
Libra man. I am the **PRIZE** of
a Libra man.

I am **DESIRED** by a Libra
man. I am the **LOVER** of a
Libra man.

I AM LOVE. I AM LOVE.

I AM LOVE!

Sip the water and honey, just enough to taste its
sweetness. Blow out the candles.

After casting the spell, it is important that you
don't fixate on it. Tidy the spell items away and
Just go about your usual routine. You can repeat
the spell at the times detailed in 'When?' above.
